

Next Door

We try our utmost to champion regional produce and suppliers. We bake our own bread every day, make each and every sauce or accompaniment – the mayo, the bearnaise, the dips, the chutneys – although we leave the ketchup to the experts.

Please take care to inform us of any allergies or intolerances. Unfortunately, we cannot guarantee an entirely nut-free cooking and dining environment.

Small and main plates

Rather than the conventional starter/main course style of dining, try several smaller plates to give a wider taste experience. We recommend between six and eight small plates (including sides) between two people. Of course, if you fancy a more substantial "main", then many items can be served as a larger portion and are priced accordingly. "Main" plates come with your choice of two sides included.
